## FRONTEND DEVELOPER | UI DESIGNER

I am a versatile Frontend Developer and UI Designer with expertise in React.js, JavaScript, HTML, CSS, and Figma, crafting high-performance, user-centric web experiences. I specialize in animated UI components, translating pixel-perfect designs into interactive, responsive interfaces. With a strong foundation in UI/UX principles and scalable architecture, I create intuitive digital experiences. Passionate about modern innovations, I thrive in fast-paced, cutting-edge environments and contribute to trailblazing projects.

## PROFESSIONAL EXPERIENCE

APA Engineering

September 2023 - Present

### UI Design & Front Developer

- Developed React.js projects, including a CRM website, using SASS for scalable styling and integrating API content efficiently.
- Implemented designs in Drupal 8 & 10, ensuring seamless UI integration and optimal performance.
- Worked on .NET and WordPress projects, handling frontend development, design implementation, and CMS integration.
- Utilized React libraries like React Router, Slick Slider, Axios, Material UI, and Bootstrap to enhance UI/UX.
- Performed QC testing with LambdaTest, ensuring cross-browser compatibility and delivering high-quality, responsive web experiences.

APA Engineering

May 2023 - August 2023

### UI Design & Front Developer Intern

- Designed and developed responsive, modern websites using HTML, CSS, JavaScript, and jQuery.
  - Integrated frontend designs into WordPress, Drupal, and Shopify, ensuring seamless functionality.
  - Gained experience in UI/UX design, creating professional eCommerce and interactive websites using Figma, Adobe XD, and Photoshop.
  - Worked on image processing and automation, optimizing workflows to reduce manual effort and enhance efficiency.
-
